

Welcome to the 22nd newsletter from the
HUGHENDEN PARISH NAG.

The Neighbourhood priorities have been set following the completion
of the Consultation period, they are:-

- 1) SPEEDING.
- 2) LITTER.
- 3) ANTI-SOCIAL BEHAVIOUR

Hughenden Neighbourhood. October 2011

Hello from the **Hughenden**, Hazlemere & Chepping Wycombe Neighbourhood Police Team (HNPT) and welcome to the August edition of the Newsletter for the **HUGHENDEN PARISH.**

If you need to contact the Neighbourhood Team then please dial the Thames Valley Police on the non-emergency number, 0845 8 505 505, and ask the police operator to put you through to the Hazlemere Police Office or e-mail us. lee.turnham@thamesvalley.pnn.police.uk natalie.hall2@thamesvalley.pnn.police.uk

The team would also love to hear from the community regarding any positive or negative feedback that you may have or any issues or concerns that you may wish to raise.

SPEEDING:

The Speed Indication Device (SID) and residents using the Community Speed Watch (CSW) have been deployed in several areas.

In September the device was used in Great Kingshill, during a week long exercise. This was to examine the results compared to that of last year.

The results for this year are:

Monday 19 th Sept	Heath end Road	0700 to 0830	25 vehicles over threshold
	Cockpit Road	1600 to 1730	34 vehicles over threshold
Tuesday 20 th Sept	Copes Road	0800 to 0915	43 vehicles over threshold
	Missenden Road	1700 to 1830	50 vehicles over threshold
Wednesday 21 st Sept	Cockpit Road	0700 to 0845	39 vehicles over threshold
	Stag Lane	1700 to 1830	45 vehicles over threshold
Thursday 22 nd Sept	Missenden Road	0700 to 0830	20 vehicles over threshold
	Heath End Road	1600 to 1730	20 vehicles over threshold
Friday 23 rd Sept	Stag Lane	0830 to 0930	33 vehicles over threshold
	Copes Road	1430 to 1600	33 vehicles over threshold

The registered owners of the vehicles will receive letters under the Community Speed Watch Scheme.

Please bear in mind that persons who receive Speed Watch letters are NOT given the speed which initiated the letter. There is a threshold which is strictly adhered to. When the device is activated the initial speed is the speed recorded by the operators and Not the speed as the vehicle passes the device. The speed captured is that of at least 70 metres prior to the device.

Dates have been set for the **October** period, the locations are yet to be established but each ward will have at least 1 SID deployment over the period. If you are interested in seeing how the device works or you are interested in becoming involved in the process, please contact Natalie Hall or Lee Turnham at the above address or e-mail. We will then be able to inform you of the location and time that is appropriate to your ward.

LITTER:

There are several individuals within the parish, who take it upon themselves to pick up litter on daily walks. This has kept down the amount of discarded paper and items considerably. If this could be relayed to other parishioners to take on a small amount of responsibility, and keep clear a small section of the litter, this would aid in the reduction of litter in the community.

It is still a problem in some areas that, occupants of vehicles, throw fast food wrappings and paper mugs etc from moving vehicles. If anyone sees this, and are able to get a vehicle registration number, then would they please contact the Neighbourhood Policing Team and report the facts. An officer will then take on the matter accordingly.

ANTI-SOCIAL BEHAVIOUR;

There have been several reports regarding problems on Georges, Hill Widmer End, these have involved some youths from outside the area. Backed up by evidence, the youths are playing in the road and causing motorists to either drive round then or stop to avoid causing injury.

The youths have also been gathering around the shops, using foul language and trying to damage property. Residents from the estate are calling Police regarding groups of youths travelling around the estate, they are shouting and using 'gutter' language and generally being a nuisance. Investigations are ongoing.

With the darker evenings now upon us the youths and their vehicles are starting to gather again in the car park next to the Parish Offices. Officers will be attending during the evenings, stopping any potential problems from starting.

BURGLARY UPDATE;

Police were asked recently about the amount of Burglaries reported within 2011. Looking at the figures I can report as follows;

Dwelling Burglary in the Hughenden Parish since 01/01/2011 = 7 reported.

Non Dwelling (sheds/garages) in the Hughenden Parish since 01/01/2011 = 20 reported.

All the crime figures for the area can be accessed via the National Crime website. www.police.uk

OTHER MATTERS;

Natalie HALL, our PCSO, is likely to be leaving Hughenden area. She lives in Luton and the journey to work, especially during bad weather, is long and arduous. There will be a replacement for her. There is no times scale of Natalie leaving at this time, but a replacement will be sought as soon as her leaving date is confirmed.

HAVE YOUR SAY.

This has been implemented by the local Neighbourhood team; enabling members of the public to come and meet the team. The location for **October** will be at Georges Hill shops Widmer End. The Local Neighbourhood Police officers will be available to address any concerns and that may affect you on a daily basis. This will take place on **Tuesday 25th October**. Between 1600hrs and 1730hrs.
